How about I call you about 11:30 or you can call me when you're ready. I am on a call until 11 and then need a few minutes.

I suggest that we have a discussion on this Monday. There are some things that I need to understand and that we need to consider.

I agree with what you said the other day that it doesn't make sense to try to have a face to face meeting when the only issue we want to discuss is access. Do you want to contact Hennis and let him know EPA's position?
